# Top 5 Scariest Logos in My Opinion

👁️ 4 ✓ 0 ★ 1

## Chapter 1 by Taylor Feese

Sawubona! Today I'm going to tell you the top 5 scariest logos in my opinion. 5 being the least scariest and 1 being the scariest. Enjoy! Ngiyabonga! (Thank you in Zulu!)

### 5. Lyric Studios 1998

This logo wasn't really scary. It was more creepy. The quiet music, the duck swimming in the lake. I don't really know why, but I just find it creepy.

### 4. DNA Productions

I remember watching Jimmy Neutron when I was younger. The thing that scared me with this one is the many different variations it came in.

### 3. O Entertainment

Another Jimmy Neutron one. This one scared me because of the geletin-like "O" The deep voiced "Oh!" And the chilling single note of music.

### 2. PBS Kids 1993-1996

"THIS IS PBS! WHOO HOO HOO!" This was just one of my worst nightmares growing up. This logo had cheesy animation, scary, loud voices, and it was on a plain white background.

### 1. MGM Entertainment

OH MY GOSH!! This was my worst nightmare. It comes loudly, with no music. It comes to you without warning!
